

In order to provide the fastest and most reliable service possible, all US domestic and international orders will be shipped with FedEx, UPS or DHL. APG Avionics will not ship with the United States Postal Service. All rates depend on the size and weight of the package.

Shipping is EXW Punta Gorda, FL. APG Avionics provides notification that the recipient of these items is responsible for all export compliance, including licensing, custom fees, duties, and taxes which include VAT charges for all transactions. The customer is notified that the export of this product or tech data may be restricted by the Arms Export Control Act (AECA) of the Int'l Emergency Economic Powers Act (IEEPA) or the Int'l Traffic in Arms Regulations (ITAR). Violation of these export laws is subject to the U.S. Government criminal penalties.

All shipments will be insured for your protection unless specifically stated, in writing, by the recipient. If the recipient declines insurance, APG Avionics will not be held responsible for lost, damaged or stolen items and shipments and all costs to replace the item or items will be incurred by the recipient.

Hazardous materials may incur an additional fee, to be determined, at the time of the transaction.

All packages shipped will require a signature upon arrival.

It is the customer's responsibility to read our Equipment Return Policy and Warranty Policy and to contact APG Avionics if anything is unclear, prior to shipment of the item or items.
