

Privacy Policy

APG Avionics is committed to safeguarding your rights. This is to help you understand how APG Avionics collects, uses and stores the information that we obtain from you. This helps you make informed decisions on how to submit information to APG Avionics

Information Collection

Personal information

Name

Address

Phone Number

Email Address

IP Address

Non-personal information

Demographic information

URL information

Preferences based on website use

Number of clicks

What we do with your information

Provide you with better, more personal service

Email you with specials and upcoming events

Send you products and/or services that you request

Collect Payments

Share with our foreign offices if necessary to fulfill our obligation to you per product or service

When do we disclose your information to outside sources

Only in the specific case that you ask us to

If compelled by a subpoena or other lawful document and then only to the requesting authorities

Storing your information

Reasonable technical precautions through firewalls and other security measures online

Reasonable physical precautions with any (if applicable) hard copies of personal information through the use of locks and security systems.

APG Avionics does not sell or give your personal information to any outside party for any reason unless it is necessary to fulfill an order for a product or service. This website contains outside links and we are not responsible for the privacy policies of any third site party.

Check back occasionally for updates to our policy. If you have any questions about how your information is handled you may fill out the form on the right and you will get a reply within 24 hours.
